Disney World Crowd Calendar

November 2026 – October 2027

How to read it

Each day shows a crowd level from 1 to 10 for each park, in this order:

MK Magic Kingdom EP EPCOT HS Hollywood Studios AK Animal Kingdom

The day's color is the average of the four parks.

1–3 Light 4–6 Moderate 7–8 Busy 9–10 Very busy

Our tips

- Put Magic Kingdom on your lightest day. It fills up the most.
- On party nights (Halloween and Christmas parties), Magic Kingdom is lighter during the day because it closes early to day guests.
- Tuesday through Thursday are usually the lightest days outside school breaks.
- Disney World resort guests get Early Entry 30 minutes before every park opens. Use it for the biggest ride.

How we rate each day

Every hour we record the posted standby waits at each park's headline rides. Future days are predicted from school breaks, holidays, festivals, runDisney weekends, party nights and the hours Disney posts. The live calendar at **lifetimeofmagic.com/crowd-calendar** updates every day.

Want the best park days picked for you? We plan your trip and book your dining and Lightning Lane, at the same price as booking with Disney. **lifetimeofmagic.com/contact · (631) 306-4199**
